Agriculture land under irrigation

1640. SHRI MATILAL SARKAR: Will the Minister of WATER RESOURCES be pleased to state:

(a) the percentage of agricultural land that has come under irrigation upto 31st October, 2007 State-wise;

(b) how much of this irrigaiton owes to surface water; and

(c) the future steps Government propose to take to increase the percentage of land under irrigation?

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI JAY PRAKASH NARAYAN YADAV): (a) According to the Land Use Statistics for 2003-04 compiled by Ministry of Agriculture, the net sown area in the country is estimated to be 140.9 million hectare and the net irrigated area is 55.1 million hectare *i.e.* 39.1%. The State-wise details are enclosed as Statement (*See* below).

(b) As per the Land Use Statistics for 2003-04 compiled by Ministry of Agriculture, the net irrigated area of the country is 55.1 million hectare. The source-wise details are as under:

a.	Canals	15.14 Million hectare
b.	Tanks	1.94 Million hectare
c.	Wells	35.26 Million hectare
d.	Other sources	2.75 Million hectare

(c) Irrigation being a State subject, irrigation projects are conceived, planned and implemented by the State Governments as per their own priority. The Government of India provides central assistance to the State Governments for completion of on-going irrigation projects under the Accelerated Irrigation Benefit Programme (AIBP). The AIBP criteria have been relaxed and procedures simplified to cover more projects under this programme. A pilot scheme titled "National Project for Repair, Renovation and Restoration of Water Bodies directly linked to Agriculture" has also been approved by Government of India in January 2005.

Statement

State-wise Details of Net Irrigated Area, net Sown Area and Percentage of Irrigated Area
